Re: Howrilka v. City of New York, et al.
15 CV1113 (KAM) (RER)

Dear Magistrate Judge Reyes:

I represent plaintiff Lydia Howrilka. I write to request an adjournment of the November 9, 2015, status conference. I make this request because I am starting trial on Monday, before Magistrate Judge Judith C. McCarthy, in the matter of *Donghia v. Reyes, et al.*, 13 Civ. 2209 (JCM), pending in the Southern District of New York. I apologize for the tardy request, but I have been preoccupied preparing for trial.

When the Court considers dates to reschedule the conference, I note that my trial should be concluded by November 17th.

Thank you for your consideration of this matter.

Respectfully submitted,

/s

Scott A. Korenbaum
